

Cognos Training Solutions

MAXIMIZE YOUR COGNOS INVESTMENT!
EFFECTIVE TRAINING IS ESSENTIAL FOR A
SUCCESSFUL BI IMPLEMENTATION

In order for training to be effective, it must be tailored to the specific needs of the participants and your organization.

LPA delivers Cognos training solutions at your location and on your schedule, working to minimize disruption to your operations and providing a cost effective

alternative to formal classroom training.

When you select LPA for Cognos training, you leverage the real-life experience of consultants who have successfully implemented hundreds of successful Cognos BI solutions.

LPA's on-site training allows users to focus on specific business issues or areas of interest within the Cognos toolset. Students will learn not only Cognos features and functionality, but also proven practices for successful implementation based on LPA's actual experience.

Cognos training from LPA can help your organization maximize its Cognos investment.
